

List Self Storage Announces Partnership with Union Realtime

Collaboration offers comprehensive market intelligence for self-storage listings

FARMINGTON HILLS, MICHIGAN, UNITED STATES, August 31, 2018 /EINPresswire.com/ -- List Self Storage (LSS), the national online platform for buying and selling self-storage facilities, is pleased to announce a partnership with the industry's most complete data source and analytical tool for self-storage location intelligence, Radius by Union RealTime.

"Our partnership with Union Realtime will provide enterprise-quality feasibility analysis for those utilizing LSS to search and identify acquisition targets", stated Theresa Gallas, President of List Self Storage. "We are pleased to add these resources and with Radius' on-demand reports, our users now have advanced analytics at their fingertips", she added.

"We have had great experiences with List Self Storage and Union Realtime and are excited to see what this partnership brings", Alyssa Parker, Managing Director for The William Warren Group, stated. "Both platforms have made impressive strides in the self-storage industry due diligence and location intelligence functions", she continued.

The partnership will enable Radius users to identify facilities that are listed for sale, run analyses on those listings and then view details on the LSS website. In addition, users on the LSS website can open any listing directly in Radius with one click. This seamless integration will provide users on both platforms with valuable insights in the beginning of the due diligence process.
