

Debut of CiviliXation Social blockchain Economy at UNWTO Global Conference Moldova.

CHISINAU, MOLDOVA, September 1, 2018 /EINPresswire.com/ -- At the 3rd UNWTO Global Conference on Wine Tourism: Wine Tourism as a Tool for Rural Development, Chisinau, Moldova, 6-7 September 2018

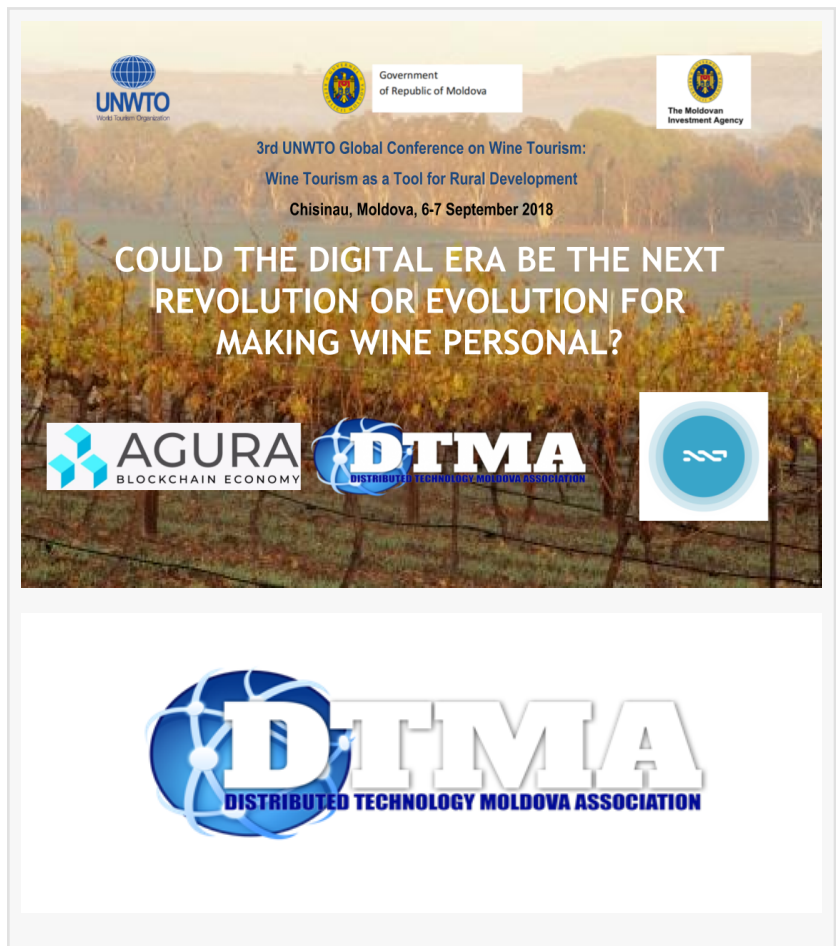

[CiviliXation](#) Moldova will announce its project around a Social Economy platform with blockchain technology as an underline network to enable the creation of Digital Cooperatives and applying the Existing laws of Moldova of Cooperatives as its Guidelines to enable rural communities to raise funds and engage with like minded investor and future tourists.

Wine tourism is one of the most flourishing segments of tourism demand. Linked to the traditions of rural communities, it can generate income and employment in regions where others sources of income may be in decay. The development of wine tourism further creates opportunities for income thorough its linkages to handicrafts, nature tourism, gastronomy and agro-tourism.

The 3rd edition of the UNWTO Global Conference on Wine Tourism will focus on Wine Tourism as a Tool for Rural Development stressing the contribution of tourism to the 2030 Universal Agenda for Sustainable Development and the Sustainable Development Goals (SDGs).

The presentation of Grant will start out with the real time use case from the Island of Agistri, Greece in 2015 from which local businesses on the Island participated in the testing of digitization and the use of NXT Blockchain technology with the economical outcome that was generated.

Furthermore Grant will be introducing a modest use case for the wine industry that is being delivered in real time by [DTMA](#), in the format of surveys to better understand the needs of the global marketplace to attract tourists, the uniqueness of how the surveys are delivered will be the core focus of Digital Evolution on how to engage with tourists with Smart Contracts, Blockchain for its transparency and immutability as the underline technology, along with how

this can impact and engage with the Wine Sector of Moldova and surrounding rural areas for economic growth.

Finishing off with three projects underway in Moldova targeting Adventure tourism one in the South of Moldova and in the North of Moldova.

CiviliXation Moldova being the first use case to demonstrate how communities can create their own project and attract Members and Investors.
