

Cuomo is forced to stop sex offender placement with the developmentally disabled

Almost all sexual assaults and rapes of the disabled are covered-up by Gov. Andrew Cuomo's fraudulent and extremely corrupt Justice Center

DELMAR, NY, UNITED STATES, September 4, 2018 /EINPresswire.com/ -- The [Jonathan Carey Foundation](#) and its founder Michael Carey are doing everything possible to prevent sexual assaults and rapes of people with disabilities. Governor Cuomo is doing the exact opposite; he is doing everything possible to protect [sexual predators](#), sex offenders, pedophiles and rapists within his mental health care system. These two news reports will shock you. Who in their right mind thinks about doing such things, more less, attempts or place known sex offenders in with people with developmental disabilities who are like children?

The most dangerous people and criminals are those that protect and shield sexual predators and rapists allowing them to continue to rape and destroy more innocent victims' lives - Governor Andrew Cuomo is the worst of the worst and extremely dangerous.

“Thousands of sexual assaults of primarily women and children with disabilities continue to be reported to Cuomo’s Justice Center annually. Almost all reported sex crimes to Cuomo’s agency are kept from 911 call systems, local police, County District Attorney’s and from criminal prosecution. For years, Gov. Cuomo has ignored my calls, as a well respected civil and disability rights advocate, for a critical 911 Civil Rights Bill which require by law immediate

911 reporting of all sex crimes. Cuomo also has negated the safety of our most vulnerable by refusing to ensure the installation of surveillance cameras. [Governor Andrew Cuomo](#) has also ignored the New York Times Editorial board. These basic civil and human rights bills would dramatically reduce sex crimes and be part of finally ending decades of civil rights violations and discrimination against the disabled, they are critical to ensure the protection of our most vulnerable.” – Michael Carey – Civil Rights & Disability Rights Advocate

Extensive research and State documents obtained through Freedom of Information Law (FOIL) by Carey reveal an astronomical scope and system that is absolutely rampant with sexual abuse of people with developmental disabilities. Keep in mind that these numbers shared are from only one of six of Governor Andrew Cuomo's extremely dangerous mental health agencies – the Office of People with Developmental Disabilities (OPWDD). Approximately 325 reported sexual assaults every three months or 1,300 annually. Here is where the true numbers are exponentially far greater. According to a well respected study on sexual abuse titled, "Prevalence of Violence" which can be found on the State of Massachusetts website, only 3% of these sex crimes are ever reported. Multiply 1,300 times 33 to get the real approximate numbers of sexual assaults within OPWDD annually- 42,900. Now why is Governor Andrew Cuomo doing nothing significant to stop these sex crimes and atrocities? Why is Governor Cuomo protecting the sexual predators, sex offenders, pedophiles and rapists? It is time that reporters start asking the governor personally these tough questions and for the governor himself to answer, these cover-ups make Larry Nassar and Harvey Weinstein look like angels in comparison.

Governor Andrew Cuomo's Justice Center abuse hotline is without question ensuring the cover-ups of almost all reported sexual assaults and rapes. The wide-scale obstruction of justice is off the charts and many State officials are involved. You just do not conceal this level of State and federal crimes without many powerful people and parties being complicit or actively involved in attempting to protect the governor. The root of the cover-ups is massive Medicaid fraud and gross misappropriation of State and federal Medicaid funds. Federal law has certain very clear directives where the billions of Medicaid dollars are to go and be used for which are; safe programs that are free from abuse and neglect, programs free from human rights violations and programs free from financial and sexual exploitation.

Countless extremely dangerous facilities known by Governor Andrew Cuomo and his corrupt Justice Center are not shut down and are being allowed to investigate sex crimes occurring within their own facilities by their staff. There cannot be a greater conflict of interest and this is Obstruction of Justice. Local police are supposed to be investigating these crimes occurring within their jurisdiction and county elected district attorney's are to ensure the prosecution of all of these horrific sex crimes. Both of these local authorities cannot do anything in most cases regarding these sex crimes committed against the disabled because they are almost always never notified. Cuomo has directed everything to be reported internally to his whitewash entity which should be called "The Unjust Center."

Governor Andrew Cuomo's system is called "a predators dream" by one caught and jailed sexual predator and pedophile that was thankfully ensnared in a federal child porn sting. Stephen DeProspero was a state employee that worked within Cuomo's State agency that was sexually assaulting the young disabled boy where he worked for an extended period of time. This story will sicken you, but you must read it.

"The lack of supervision there made it easy to do what I did," DeProspero said in a handwritten affidavit obtained by The Associated Press. "I could have stayed in that house for years and abused him every day without anybody even noticing at all. It was a predator's dream."

Governor Andrew Cuomo's corrupt abuse hotline and agency is not independent and it has no oversight. Cuomo's agency has been getting away with protecting countless, sexual predators, pedophiles and rapists that prey on vulnerable children. Enough is enough, the truth must be told and this evil must be stopped. These crimes against children are similar in scope and horror

to that of war crime atrocities.

Federal criminal and civil rights investigations have been requested by Michael Carey. It is time for the top officials involved in these criminal cover-ups and civil rights atrocities such as Governor Cuomo, Attorney General Underwood and others to be indicted and held fully accountable for their crimes against the disabled and humanity.
