

THE INVENTORS ROAD SHOW™ OFFERS FREE WORKSHOPS FOR INVENTORS IN NEW YORK CITY, PHILADELPHIA AND FLORIDA

Founder and award-winning inventor Andrea Rose helps others succeed with teachings from her 20+years of inventing and business experience

NEW YORK CITY, UNITED STATES, September 4, 2018 /EINPresswire.com/ -- NEW YORK, New York--September 4,2018 – Award-winning inventor, entrepreneur and consultant Andrea Rose is conducting free workshops in various cities in the United States for those who want to turn their idea and invention into a marketable asset. Andrea has teamed up with companies looking for the next big idea, such as HSN and “As Seen on TV” marketers, to help promising inventors bring their inventions to the marketplace.

“The Inventors Road Show™” workshop series was founded on Andrea’s belief that “Anyone can have an innovation and an idea for an invention. What they need are the tools to help them navigate the difficult and daunting task of turning their ideas into an asset and marketable success. Our workshops are informative, educational and empowering, and they provide a networking platform for those inventors who are brave enough to pursue their dreams of turning their idea into a reality.”

These workshops are conducted throughout the year in New York City, Philadelphia and South Florida, primarily in Microsoft locations. Interested members of the public can find more information at www.TheInventorsRoadShow.com or www.Meetup.com, where they can search for The Inventors Road Show™ groups. Upcoming workshops will be

held in:
