

Cybersecurity Expert Brad Deflin to Present at Total Wealth Symposium in Las Vegas

WEST PALM BEACH, FL, UNITED STATES, September 11, 2018 /

EINPresswire.com/ -- Brad Deflin of Total Digital Security, a provider of digital security technologies for individuals and businesses, has been invited to present at the Total Wealth Symposium, which is being held September 20-22, 2018 at the Four Seasons Hotel in Las Vegas, NV. Mr. Deflin's presentation, "Cybercrime and the Greatest Transfer of Wealth in History," is scheduled for Friday, September 21st at 9:30 am, and a special session on Saturday, September 22nd at 3:00 pm will feature the presentation, "Securing Your Home Routers and Networks."

Mr. Deflin's presence at the Total Wealth Symposium signals what cybercrime fighters globally have acknowledged: cybercrime is one of the most significant threats to personal wealth today -- projected to cost the world \$6 trillion annually by 2021.

“

Cybercrime damages will cost the world \$6 trillion annually by 2021, up from \$3 trillion in 2015.”
