

Cuomo's Justice Center Scheme

Gov. Andrew Cuomo set up an entire agency under his control to cover-up sex crimes, physical assault crimes and criminally negligent homicides of the disabled

ALBANY, NEW YORK, UNITED STATES, September 5, 2018 /EINPresswire.com/ -- The truth must be told about the New York State Justice Center. Almost all physical and [sexual assault crimes](#), as well as criminally negligent deaths of children and adults with disabilities disappear internally. The 911 call systems, local police and county elected District Attorneys are rarely notified.

Gov. Andrew Cuomo must be stopped, he is involved in covering-up thousands of sexual assaults, rapes and deaths of people with disabilities

The Justice Center scheme involves keeping local authorities out of the picture to primarily protect negligent provider agencies and their staff.

The three main motives behind [Governor Andrew Cuomo's](#) Justice Center scheme revolve around money; Medicaid fraud, the prevention of multi-million dollar lawsuits and not providing crime victim's assistance to the victim or their families.

Almost all physical and sexual assault crimes, as well as criminally negligent deaths of children and adults with disabilities disappear internally.”

Astronomical numbers of reports of criminal matters are reported every month, close to 8,000 and between 11-13 deaths on average every day. The simple fact is that there are hardly any arrests or prosecutions; a small fraction of 1%.

A State employee appointed by the Governor Cuomo to be an internal 'special prosecutor' is bypassing 62 County

elected District Attorneys and is operating unconstitutionally according to three State Supreme Court Judges and the Attorney General. This individual per the directive of the governor is obstructing justice.

Jane Lynch, the former head of the Justice Center, under its previous name, in an official State Affidavit calls the State's way of doing business “a coherent oversight scheme” and a “carefully cultivated understanding.”

Concealing evidence and keeping crimes from local authorities is also obstruction of justice. Planning to protect and conceal crimes and evidence is a criminal conspiracy.

The Justice Center is hiding reports of substantiated crimes from the Office of Medicaid Inspector General to defraud the federal government, this is Medicaid fraud. State documents

and records reveal the facts and what is really going on within this corrupt State agency operated by Governor Cuomo.

Federal criminal and civil rights investigations have been requested by [Michael Carey](#) a well known and respected civil and disability rights advocate. It is time for the top officials involved in these criminal cover-ups and civil rights atrocities such as Governor Cuomo, Attorney General Underwood and others to be indicted and held fully accountable for their crimes against the disabled and humanity.
