STS International, Inc. Wins Strategic Cyber Subcontract Award with UEC Electronics to Support Space and Naval Warfare Systems Center Atlantic

STS International Logo

ARLINGTON, VA, USA, September 10, 2018 /EINPresswire.com/ -- [STS](https://www.einpresswire.com/STSI)

[International](https://www.einpresswire.com/STSI), Inc., a leading end-to-end

solutions provider in Command, Control, Communications, Computers, Cyber-Defense, Combat Systems, Intelligence, Surveillance, and Reconnaissance and a Veteran-Owned business, has won a subcontract award with UEC Electronics to provide Cyber Mission Systems, Kitting, and Supplies to support [Space and Naval Warfare Systems Center \(SPAWARSYSCEN\) Atlantic](https://www.einpresswire.com/STSI).

“

STS has expanded its Cyber capabilities in recent years...We are looking forward to applying our skills and expertise to achieve Cyber Mission success for the Navy.”

*Dave Morgan, Vice President
STS International*

“STS International is eager to engage with UEC Electronics to support SPAWARSYSCEN Atlantic. STS has expanded its Cyber capabilities in recent years. It’s very exciting to be a part of what’s happening in the Cyber sector of the defense industry right now. We are looking forward to applying our skills and expertise to achieve Cyber Mission success for the Navy,” says Dave Morgan, Vice President of STS International.

About STS International

Founded in 1992, STS International is a U.S. Veteran

Owned business with over twenty-five years of experience providing secure solutions and services to the federal government in the areas of Engineering and Integration, Enterprise and Logistics Management, Simulation and Training, and Business and Professional Services. We have focused our efforts in the domains of C6ISR, Surveillance and Situational Awareness, IT and Cyber, Robotics and Unmanned Systems, Medical, and Emerging Markets.

Our goal at STS is to achieve mission-success for our clients in Defense, Homeland, and National Security by dedicating ourselves to the principles of innovation, agility, and excellence. What makes STS unique is our ability to swiftly meet our client’s needs while sustaining an organization with global operations and a mature infrastructure to support enterprise, end-to-end solutions. Our solutions maximize best value, mitigate risks, and optimize operational efficiency.

UEC Electronics

UEC Electronics, LLC, a subsidiary of Arotech Corporation (NasdaqGM: ARTX) is a limited liability company organized and existing under the laws of the State of South Carolina. We offer comprehensive solutions in engineering design, product development, rapid prototyping, and lean, innovative manufacturing services. Our Charleston campus encompasses over 64,187 square feet of engineering, integration, production, and testing facilities.
