ARLINGTON, VA, USA, September 13, 2018 /EINPresswire.com/ -- [STS](#)

[International](#), Inc., a leading end-to-end solution in Command, Control, Communications, Computers, Cyber-Defense, Combat Systems, Intelligence, Surveillance, and Reconnaissance and a Veteran-Owned business, is proud to announce it has won a strategic subcontract award in partnership with Trideum Corporation to provide global training services for the U.S. Army. ETSC

is a new contract vehicle based in ACC Orlando supporting the US Army's PEO STRI. Trideum and STS will provide the Department of Defense with training and advisory assistance for military and civilian-related subjects to include instruction in both classroom and field environments; exercise planning, management, and support; and training systems support services.

STS is excited to engage with Trideum to support PEO STRI. We have a long history of providing training and simulation services for PEO STRI”

*Dave Morgan, Vice President
STS International*

“STS is excited to engage with Trideum to support PEO STRI. We have a long history of providing training and simulation services for PEO STRI and we look forward to continuing to develop that relationship,” says Dave

Morgan, Vice President of STS International, Inc. STS will execute the ETSC work with Trideum via its Florida offices as well as at various sites worldwide.

About STS International

Founded in 1992, STS International is a U.S. Veteran Owned business with over twenty-five years of experience providing secure solutions and services to the federal government in the areas of Engineering and Integration, Enterprise and Logistics Management, Simulation and Training, and Business and Professional Services. We have focused our efforts in the domains of C6ISR, Surveillance and Situational Awareness, IT and Cyber, Robotics and Unmanned Systems, Medical, and Emerging Markets.

Our goal at STS is to achieve mission-success for our clients in Defense, Homeland, and National Security by dedicating ourselves to the principles of innovation, agility, and excellence. What makes STS unique is our ability to swiftly meet our client's needs while sustaining an organization with global operations and a mature infrastructure to support enterprise, end-to-end solutions. Our solutions maximize best value, mitigate risks, and optimize operational efficiency.

About Trideum

Trideum Corporation founded in 2005, is a privately owned and operated small business headquartered in Huntsville, Alabama. Trideum specializes in providing solutions and services in test and evaluation, modeling and simulation, systems analysis, and information technology.
