

GoGo Quinoa's Cookies Now 100% Organic

The majority of the company's products are already certified organic and they will continue striving to transition their complete portfolio to organic.

MONTREAL, QUEBEC, CANADA, September 5, 2018 /EINPresswire.com/ -- Costco Canada has signed on to offer the new organic version of GoGo Quinoa's beloved chocolate chip cookies. Now made with 100% organic ingredients, 70% cacao chocolate chips, these cookies are also gluten free, peanut free, dairy free, and much more! Distribution through Costco in Eastern Canada is ongoing and will extend to Western Canada in December.

To please its customer base not shopping at Costco, GoGo Quinoa will also be offering more 100% organic cookie innovations in all of its retailers throughout Canada. So be on the lookout for your favourite flavors including chocolate chip, double chocolate and orange & mango.

GoGo Quinoa invites food-related press and food bloggers to obtain a sample of their new products. To request a sample, please send an email to marketing@gogoquinoa.com. You can also taste them before anyone else at GoGo Quinoa's booth #242 at the 2018 CHFA in Toronto on September 15 and 16.

About GoGo Quinoa

In business since 2004, GoGo Quinoa (Cie 2 Ameriks) manufactures and imports more than 60 vegan and gluten-free products made from quinoa and other super grains (amaranth, buckwheat, chia). GoGo Quinoa has increased its production to meet the growing demand for its product lines, moving its operations to a 45,000 square-foot

SQF certified facility in Laval. Additional information on the company and its products can be found on [their website](#).
