Dice's acting prowess and range was on full display in Woody Allen's Academy award-winning BLUE JASMINE as 'Augie' and Martin Scorsese's sex, drugs and rock & roll HBO series "Vinyl." Now he steps into the shoes of the coveted role of 'Lorenzo' in A STAR IS BORN which premieres on October 5th, where Dice stars alongside Bradley Cooper and Lady Gaga to take on the scene stealing role as the "very Italian" father to struggling artist 'Ally' (Lady Gaga) in the Warner Bros remake. Born in Brooklyn, New York, Dice's comedy career started before his acting career with his iconic debut multi-million selling

comedy album "DICE" propelled him to become one of the most popular and memorable comics in the world. He is the very first comic to sell out the legendary Madison Square Garden 2-nights in a row, while also earning the title as the only performer ever banned for life from MTV. When not filming, Dice can be found selling out venues nationwide as one of America's most controversial and outrageous comics.

"I'm Ova Hea' Now" is part of four new shows coming to GaS Digital that already has a fantastic roster covering comedy, music, politics, UFC and more. This Fall will also welcome, "I Wanna Talk," hosted by legendary front man Dee Snider, "In Godfrey We Trust," hosted by comedian Godfrey and "Subway Creatures," a podcast by the creators of the popular Instagram profile.

and Luis J.
