

Quikteks Tech Support Ranks on Inc. 5000 Fastest Growing Companies

For 3 consecutive years, local IT support company reaches new heights.

FAIRFIELD, NJ, USA, September 6, 2018 /EINPresswire.com/ -- (Fairfield, NJ) September 6th, 2018 – [Quikteks](#) Tech Support announced today that they have been ranked on the Inc. 5000 list.

The Inc. 5000 Award recognizes America's fastest-rising private companies that demonstrate the best service, strategy and innovation, as measured by growth. Quikteks has met and surpassed these requirements by expanding its services to local businesses, growing its employee roster by nearly 30%, and increasing gross revenues in the last three years. Quikteks Tech Support is known for providing the best IT services for clients by hiring the best in-house talent in each of the IT disciplines it serves, which has been critical to the overall excellence in customer support as well as the success of their clients.

Quikteks CEO, Andrew Rich, adds a few words. "We are grateful to receive recognition for outstanding growth for three consecutive years, and this is just the beginning. Our technicians continually work hard to deliver client needs and exceed expectations. Our clients' successes enable business owners and their employees to achieve their dreams. For me, this is the greatest reward of all."

About Quikteks Tech Support

Quikteks Tech Support provides cutting edge, reliable business technology solutions to small and medium sized businesses in the Tri-State area. Our support solutions include technical help desk support, computer support and consulting in order to deliver enterprise level IT solutions to the small and medium-sized business sectors at affordable rates.
