

2018 REAL ESTATE CONFERENCE FOR LOCAL HOME BUYERS AND SELLERS

California housing market expected to shift in favor of buyers. INSIDER TIPS to win when you're thinking of buying and selling in today's real estate market!

SAN GABRIEL, CA, UNITED STATES, September 6, 2018 /EINPresswire.com/ -- Team Nuvision – [Rudy Lira Kusuma Home Selling Team](#), a full-service real estate brokerage team, is pleased to announce today that they will be hosting a Home Buyers Workshop, happening on Saturday, October 20, 2018, from 10 AM to 3 PM at Hilton San Gabriel, 255 West Valley Blvd, San Gabriel, CA 91776. The company is inviting the general public to attend their upcoming workshop.

Buying a home is more complicated than renting a house or an apartment. Home buyers need to wait for the bank to underwrite the mortgage application. When approved, they need to wait for an appraisal and home inspection. In all, it could take up to thirty days to close on a mortgage, often much longer. Homeownership is considered a long-term financial commitment and a weighty responsibility. Thus, it crucial to understand what a person is getting into before submitting a mortgage application.

Team Nuvision – Rudy Lira Kusuma Home Selling Team is now looking for individuals who have been overwhelmed and confused by the process of home buying. Today, the real estate brokerage team announced that they would host a Home Buyer Workshop for those people interested in educating themselves about the dos and don'ts of home buying.
