

INTRODUCING THE NEW “500 HOTTEST CANNABIS JOBS” E-BOOK FROM THE LEADERS IN TRUSTED CANNABIS EDUCATION, GREEN FLOWER

500 Hottest Cannabis Jobs E-Book Released From Green Flower

VENTURA, CALIFORNIA, UNITED STATES, September 6, 2018 /EINPresswire.com/ -- Utilizing their vast network of cannabis experts and companies, [Green Flower](http://www.Green-Flower.com) has launched a new e-book, “500 Hottest Cannabis Jobs,” available now for free on www.Green-Flower.com. Authored by the Green Flower editorial team, this new free e-book is designed to help professionals and job-seekers alike to learn about the diverse job categories and opportunities that are accessible right now in the rapidly growing cannabis industry. The 500 Hottest Cannabis Jobs features an overview of the cannabis job market; a compilation of 500 of the hottest jobs in cannabis today; a handy introduction to the fundamental knowledge needed to succeed in cannabis and, lastly, an introduction on getting cannabis certified.

Readers have access to valuable information and may be pleasantly surprised by how professionally diverse the industry is. The sectors overviewed include: accounting and finance; business; lobbying; manufacturing; marketing; cultivation; retail among many others.

“The cannabis industry is growing more rapidly than some of today’s fastest-growing fields,” noted Max Simon, CEO Green Flower. “People simply don’t realize how much opportunity there is to get really interesting jobs. And not just about growing, as there are incredible opportunities for scientists, attorneys, accountants, technicians, marketing experts and many more. Our new e-book is designed to be a great resource to those who are interested in learning more about the many, many possibilities that are currently available.”

The highlight of 500 Hottest Cannabis Jobs e-book is Green Flower’s detailed list of over 500 different job categories in cannabis industry today. An extensive list of the enormous range of interesting and specialized jobs that are available now in the growing global cannabis industry.
