

ComforceHealth to exhibit at AHIMA 2018

DULUTH, GA, UNITED STATES, September 6, 2018 /EINPresswire.com/ -- ComforceHealth, part of ACS Group, provides audit, coding and business services to hospitals and health care systems throughout the United States, is a corporate sponsor of and will be exhibiting at the 90th American Health Information Management Association's annual Convention and Exhibit (AHIMA).

ComforceHealth is honored to be a corporate sponsor of AHIMA as well as an exhibitor at this year's AHIMA Convention and Exhibit. "

Melissa Johnson, Vice President of Business Development at ComforceHealth

AHIMA 2018 will take place at the Miami Beach Convention Center in Miami Beach, Florida from Sept.24-27, 2018. The theme for this year's event is, "Inspiring Leadership, Influencing Change."

During this year's conference, ComforceHealth will join an engaging health care community with thousands of other medical leaders and professionals to discuss the latest health care trends and topics facing this ever-changing industry and address innovative solutions to combat the market's toughest challenges.

ComforceHealth is a leader in the industry providing Information, innovation, and education to improve performance and patient data integrity. ComforceHealth focuses their ability to turn data into solutions and bridges the gap that currently exists in health care today by providing intelligence and solutions focused towards improving health care costs, quality standards, and reimbursement.

ComforceHealth and other industry leaders will have the opportunity to connect, learn and engage through educational seminars, educational site visits, table discussions, and networking opportunities at this year's AHIMA.

"ComforceHealth is honored to be a corporate sponsor of AHIMA as well as an exhibitor at this year's AHIMA Convention and Exhibit. We look forward to spending time with the industry's top HIM thought leaders sharing ComforceHealth's effective solutions to help advance quality health care." said Melissa Johnson, Vice President of Business Development at ComforceHealth.

By participating in this year's theme of "Inspiring Leadership, Influencing Change," ComforceHealth reinforces and pushes forward its industry leading quality data mission.

About ComforceHealth

About AHIMA

AHIMA is committed to advancing the HIM profession in an increasingly electronic and global environment through leadership in advocacy, education, certification, and lifelong learning. The health industry continues to evolve, and AHIMA is working to advance the accuracy, reliability, and usefulness of health data by leading key industry initiatives and advocating for consistent standards. Needs are evolving from simply translating data to turning data into knowledge that powers better healthcare decision making. AHIMA ensures that HIM professionals are armed with the skills and tools to act as leaders, using quality information to achieve the Triple Aim of reduced costs, better care, and improved population health.
