

Tarps Now Continues Rapid Growth with Expansion of Heavy Duty Tarp Products

Company Expands of Product Offerings of Industrial Grade Heavy Duty Tarps and Coverings

ST. JOSEPH, MICHIGAN, UNITED STATES, September 7, 2018 /EINPresswire.com/ -- Based upon rapid sales growth and best of breed customer service, Tarps Now® has announced the release of a greatly expanded lines of Industrial Grade [Heavy Duty Tarps](#)

engineered to provide unparalleled protection for a wide range of industries, including the transportation, aerospace, agricultural, commercial, construction, warehousing and industrial manufacturing industry applications.

Included within the expanded line of Heavy Duty tarps and Coverings are tarps that include a heavy denier which feature an extra heavy mesh count paired with a very strong thread shaft typically not found at competitors. To ensure optimal strength to withstand harsh elements, the company often employs a thicker denier with a higher count.

Engineered to the highest quality specifications in the tarps industry, Tarps Now offers you a wide selection of weights, color and standard and custom sizes, as well as a wide range of customization options. In addition, you'll also find heat sealed seams, rust-resistant brass grommets, ultra-violet resistance; abrasion, wear, tear, and mildew resistance that's quality Made in USA.
