*The singer-songwriter from Newton, TX has released "What Part of Life." The self-penned song is her first new release since her debut album, "Moving On."*

HOUSTON, TX, UNITED STATES, September 10, 2018 / EINPresswire.com/ -- "Whitney has all the makings of a strong-willed, confident country music songstress" - Mindy McCall, NoDepression.com

"Her voice and songs are what folks are hungry for" - Lloyd Bear, Vents Magazine

"Whitney's crystalline vocals are reminiscent of such songstresses as Hillary Scott from Lady Antebellum meets (early) LeAnn Rimes" - Markos Papadatos, Digital Journal

Singer-Songwriter, Heather Whitney comes from an itty-bitty, one-red-light town deep in the pines of Southeast Texas (Newton, TX), where the mosquitoes are big, but Heather's love for music is bigger! The last 6 months have been something of a whirlwind for Heather: She released her critically-acclaimed debut album, "Moving On;" her music video for "Shut Up and Dance" was chosen as a Jersey Shore Film Festival and Indie Best Films Festival Selection; and she has received nominations for multiple industry awards, including the Josie Music Awards, and the KICMA Awards. Now, Heather is ready to "Move On" to the next chapter in her career...
