

# THE MIRACLE FRUIT OIL COMPANY AWARDED AUSTRALIAN PATENT

*Miracle Fruit Oil Company is pleased to announce that the Australian Patent Office has granted a patent for their proprietary ingredient Miracle Fruit Seed Oil.*

MIAMI BEACH, FL, UNITED STATES, September 11, 2018 / EINPresswire.com/ -- The Miracle Fruit Oil Company is pleased to announce that the Australian Patent Office has granted a patent for Miracle Fruit Oil's Australian Patent Application No. : 2013315536, covering topical compositions and methods of use for their proprietary ingredient, Miracle Fruit Seed Oil®.

Miracle Fruit Seed Oil® (Synsepalum dulcificum seed oil) is the only fruit seed oil optimized to contain the highest amounts of natural beneficial phytonutrients. A proprietary Green-supercritical extraction method maintains the Miracle Fruit Seed Oil® unchanged in its native state and concentrates its favorable bioactives. Miracle Fruit Seed Oil® is the oil scientifically-proven to be the most similar in composition to the natural oils made by the skin. Products containing Miracle Fruit Seed Oil® (Miracle Fruit Seed Oil® Hair Treatment and Vitabrace®) have been clinically proven effective at preventing and reversing hair breakage, strengthening hair, and improving the performance of hand and finger skills. The issued Australian patent will open additional opportunities beyond the North American market for advancing the relationships of the Miracle Fruit Oil Company with the global communities. The company intends to seek potential commercialization partners for its proprietary products in Australia. This patent represents great success in furthering the global standing of the unique high-performance Miracle Fruit Oil® products.
