

# Team NuVision Shares Partnership with WorldHarvest to Help Kids around the World

ROSEMEAD, CA, UNITED STATES, September 9, 2018 /EINPresswire.com/ -- [Team NuVision](#) - Rudy Lira Kusuma Home Selling Team is in partnership with [WorldHarvest](#) to help kids around the world, supporting the latter's mission to help the world through Education, Community, and Media Services. Team NuVision does not only help their clients in tackling the real estate process but also extends their help to others outside of their industry.

WorldHarvest is a humanitarian organization that has been helping people around the world since 1989. Their efforts to impact the world is by providing medical camps, health seminars, creating economic opportunities, and improving community sanitation among others. The organization also sponsors opportunities for children who are in difficult situations.

“

Our team is on a mission to raise \$100,000 this year to help kids around the world.”  
*Rudy L. Kusuma, CEO of TEAM NUVISION - RE/MAX TITANIUM*

WorldHarvest and Team NuVision works have been working together as a partner since 2009. Team NuVision gives back to the community by supporting the mission of WorldHarvest. The team shows its support by helping WorldHarvest in hosting multiple medical camps, several disaster relief efforts, and also provided food for numerous citizens.

According to Rudy L. Kusuma, coming together with WorldHarvest is a start for them to help others to build their dreams. For the many years that passed, WorldHarvest and Team NuVision kept together in their mission and had significantly progressed in many aspects. Both organizations enjoyed success in their respective goals after having worked together for so long.

WorldHarvest and Team NuVision have many accomplishments working together over the years. They have held 19 medical camps, sponsored 15 children, and supply 24 tons of food to countless citizens. They also helped more than 3000 patients as well as kept 1000 South Sudan Refugees fed. Their efforts extend far out of the country to other places in the world that need
