Boost Oxygen Co-Founder and Chief Executive Officer Rob Neuner says, “We at Boost Oxygen are very proud to partner with Academy Sports + Outdoors for placement at all of their locations. We both have the same goal of supporting the customer-athlete with what they need to achieve their goals. We have worked diligently since 2007 to educate the consumer about the safe benefits of supplemental oxygen and have become the trusted source for portable bottles of oxygen. We are being implemented for performance support during training and in-

competition by professional sports teams’ athletes and athletic trainers, amateur athletes as well as the everyday athlete.”

Boost Oxygen is the worldwide leader of providing portable, lightweight, and affordable bottles of 95% pure oxygen in the retail consumer market. Professional athletes have had the opportunity to fuel their talent with oxygen for decades. Now, athletes of all ages and competing in any sport can experience these same benefits for supporting their performance, recovery and results with Boost.

About Academy Sports + Outdoors (from the Academy.com website):

“At Academy Sports + Outdoors, we make it easier for everyone to enjoy more sports and outdoors. At each of our 245+ locations, we carry a wide range of quality hunting, fishing and camping equipment, patio sets and barbecue grills, along with sports and recreation products, at everyday low prices. For all. For less.

Our history is one we take pride in — it has made us who we are today. The first Academy store

Athletes can choose from Natural, or gain aromatherapy benefits from Peppermint, Menthol-Eucalyptus or Pink Grapefruit

opened as a tire shop in San Antonio in 1938. It turned into a military surplus store, then began offering sports and outdoors equipment as it evolved into the Academy Sports + Outdoors we know today. Presently, we have more than 245 stores in 16 states, supported by more than 23,000 team members throughout the South, Southeast, and Midwest."
