

Lehigh Valley Charter School Enrolling New High School Students

Executive Education Academy Charter School in Allentown has openings in its high school grades.

ALLENTOWN, PA, UNITED STATES, September 11, 2018 /EINPresswire.com/ -- With the addition of a new grade to its high school curriculum, Executive Education Academy Charter School in Allentown has openings for high school students in the Allentown and Lehigh Valley areas.

Executive Education Charter School in Allentown is now enrolling high school seniors.

The [Allentown high school](#) recently added the twelfth grade to its high school curriculum, leaving enrollment spots open for older students.

Executive Education Academy, founded in 2014, has been celebrated for its unique curriculum and structured academic environment. The school's business education curriculum allows high school students to enter the working world through internships with a variety of local businesses and organizations.

“

Through business, technology, languages, and the arts, we are preparing our high school students for career and college opportunities.”

Robert Lysek, Founder and CEO

“Through business, technology, languages, and the arts, we are preparing our high school students for career and college opportunities,” says Robert Lysek, founder and CEO of the [Allentown charter school](#).
