ASIA PACIFIC ENTREPRENEURSHIP AWARDS (APEA)

Dr Fong Chan Onn, Chairman, Enterprise Asia commented, "As advocates of entrepreneurship, we believe that entrepreneurship does not only provide a compelling alternative to individuals to secure their livelihood, but also serves as an important catalyst to promote economic resilience. We want to leverage this programme to recognise and honour the dedicated work done by these entrepreneurs who helped to spur economic development in Singapore."

Being the most prestigious awards for entrepreneurship in Asia Pacific, APEA seeks to recognize Asia's outstanding and most deserving entrepreneurs. With stringent entry criteria and rigorous judging parameters, each nominee is subjected to mandatory site audit and financial verification by the audit firm, followed by a confidential ballot process by Enterprise Asia's committee.

Dato' William Ng, President of Enterprise Asia says, "APEA is at the forefront in promoting the convergence of innovative entrepreneurship and professional leadership. The recipients of the

APEA are not only outstanding entrepreneurs, but also demonstrated outstanding business acumen that are both sustainable and exemplary. They all uphold the highest standards of entrepreneurship, which includes allegiance to the two founding pillars of Enterprise Asia, namely Investment in People and Responsible Entrepreneurship."

The annual Asia Pacific Entrepreneurship Awards Singapore is now in its tenth year. This year, the committee had received 63 by-invitation only nominations in Singapore across 24 industry categories. The award recognition programme is held in 14 countries and markets every year.

About Enterprise Asia

Enterprise Asia is a non-governmental organization in pursuit of creating an Asia that is rich in entrepreneurship as an engine towards sustainable and progressive economic and social development within a world of economic equality. Its two pillars of existence are the investment in people and responsible entrepreneurship. Enterprise Asia works with governments, NGOs and other organizations to promote competitiveness and entrepreneurial development, in uplifting the economic status of people across Asia and in ensuring a legacy of hope, innovation, and courage for the future generation.

About APEA

Launched in 2007 the Asia Pacific Entrepreneurship Awards are the region's most prestigious awards for outstanding entrepreneurship, continuous innovation and sustainable leadership. The Awards provide a platform for companies and governments to recognise entrepreneurial excellence, hence spurring greater innovation, fair business practices and growth in entrepreneurship. As a regional award, it groups together leading entrepreneurs as a powerful voice for entrepreneurship and serves as a by-invitation only networking powerhouse. The program has grown to encompass thirteen markets all over Asia.
