

# Braces in Reading, PA Available for Teens and Adults

*The orthodontists in Reading, PA at Exeter Orthodontics offer braces for only \$3,995.*

READING, PA, UNITED STATES, September 25, 2018 /EINPresswire.com/ -- Both teens and adults can find affordable orthodontic care from Exeter Orthodontics in Reading. Both braces and Invisalign aligners are available.

[Braces in Reading](#), PA from Exeter Orthodontics cost only \$3,995. This low price, without any hidden fees, takes a burden off parents looking for a way to afford their child's orthodontic care. X-rays, retainers, and repairs are all included.

"We also cover emergency visits," says Dr. Soraya Mills, [orthodontist in Reading](#). "This gives our patients peace of mind that we'll be there for them every step of the way."

In addition to affordable braces, Invisalign aligners are also available. [Invisalign in Reading](#) also costs only \$3,995. With transparent aligners, Invisalign is a popular treatment method for adults.

To learn more about Invisalign and braces from the team of Berks County orthodontists in Reading, PA, schedule an appointment with Exeter Orthodontics by visiting <http://www.exeterorthodontics.com/request-appointment/>.

About Exeter Orthodontics: For several years, Exeter Orthodontics, a Pennsylvania-based orthodontic practice, has offered area patients braces and Invisalign treatments for as low as \$3,995. Its team of orthodontists remains dedicated to providing high-quality care at an affordable price. Learn more at <http://www.exeterorthodontics.com/>.
