EINPresswire.com/ -- The North Dakota Mesothelioma Victims Center is urging a US Navy Veteran who has just been diagnosed with mesothelioma in North Dakota or their family to please call them anytime at 800-714-0303 so they do not mistakenly hire an inexperienced lawyer/law firm and in doing so shortchange themselves on financial compensation. As the group would like to explain anytime, "There is a direct relationship between being represented by some of the nation's most skilled mesothelioma attorneys and a diagnosed person receiving the very best possible financial compensation results."

According to the North Dakota Mesothelioma Victims Center, "The mesothelioma lawyers we suggest frequently get million-dollar settlements for their US Navy Veteran clients with mesothelioma-especially if the Veteran was exposed to asbestos in a ship's engine room, engineering, or if they served on a nuclear submarine as we would like to discuss at 800-714-0303.

"When it comes to mesothelioma compensation for a US Navy Veteran, it is incredibly important the lawyers you hire have years of experience with Navy Veteran mesothelioma compensation claims. Hiring a local car-accident attorney or personal-injury attorneys to handle a complex mesothelioma compensation claim could result in

a Navy Veteran with mesothelioma getting dramatically shortchanged as we would like to discuss anytime at 800-714-0303. When we mention shortchanged we are referring to hundreds

of thousands of dollars in lost compensation-or more."
