

What it Means to Surrender

LAGUNA HILLS, CALIFORNIA, USA, September 13, 2018 /EINPresswire.com/ -- One of the most enigmatic concepts for spiritual aspirants is the concept of [surrender](#). What does it mean? How does one attain it? In his article "Surrender," spiritual Master Louix Dor Dempriey reveals all this and more.

Louix, who for the past 20 years has been helping people worldwide attain self-mastery, teaches that "surrender is an ongoing process, not something you do only once."

He masterfully explains the various distortions in human consciousness that prevents surrender and provides the keys to attaining surrender in every moment, in every circumstance, no matter how challenging.

"The more you surrender the personal will, the personal desires, the sense-gratifying needs and wants, the more your divine power and God's divine power take hold of you in absolutely astounding ways."
