

OptiSol LogiTrack Voted In Top 50 By FinancesOnline's B2B Directory

Top 50 Fleet Management Platform

STRONGSVILLE, OHIO, UNITED STATES, September 14, 2018 /

EINPresswire.com/ -- [LogiTrack](#) is a fleet management platform provided by OptiSol and it was recently evaluated and reviewed by FinancesOnline – B2B software experts and we have been voted as rising star along with a recognition for great user experience. We are excited by honour and the faith reposed by expert voters and we are sure this will a wonderful milestone in our journey to make life better for everyone linked with logistics and location-based services (LBS).

You can check out the review on FinancesOnline's behaviour-based [Customer Satisfaction Algorithm](#) which provides customer reviews and comments across a wide range of social media sites. The data is then presented in an easy to digest form showing how many people had positive and negative experience with LogiTrack.

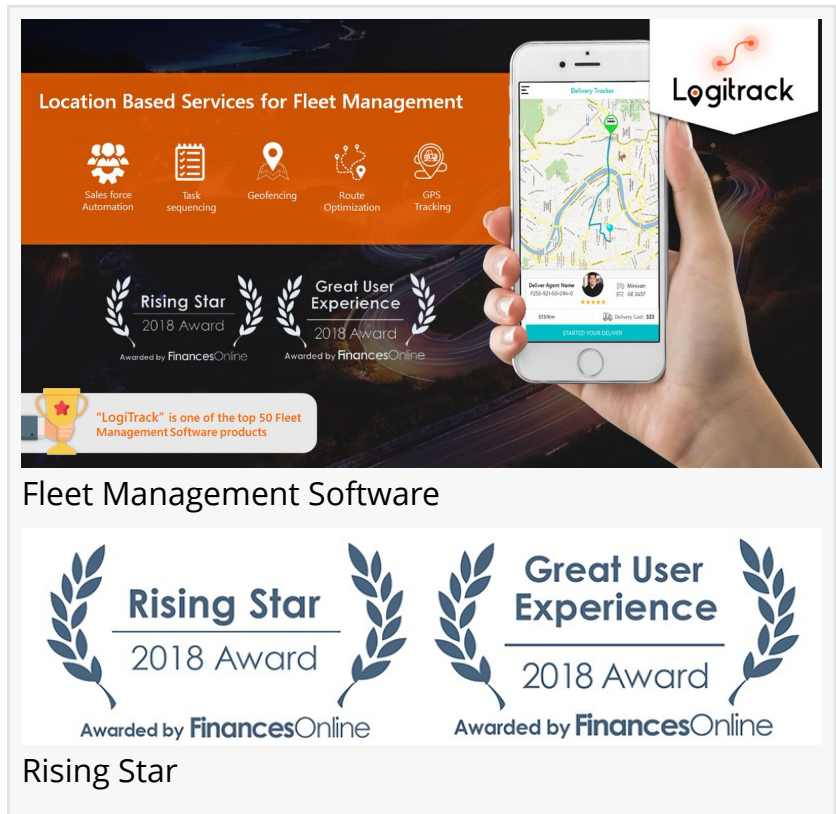

About OptiSol's LogiTrack:

Logitrack is a fleet management software that offers fleet businesses, logistics companies, car rentals, and field services providers location-based services and capabilities including geofencing, geo-tracking, and route optimization. It is designed to seamlessly integrate with Google Maps and other popular map service providers through API integration to offer services like Geofencing, Geo-tracking and route optimization.

With LogiTrack, users are able to provide drivers and field-based employees the best and viable routes to clients, track vehicle location in real-time, monitor employee performance, map out fuel-efficient and time-saving routes for delivery runs, etc. The platform can be leveraged to help start-ups and expanding companies to manage and maintain their fleet and be in full control of their operations, and ultimately enhance their customers' experiences.

About FinancesOnline:

FinancesOnline is a popular platform for SaaS/B2B software and financial products reviews. They provide an extensive base of software reviews prepared by both experts and actual users so customers can easily find the best solution. In addition to SaaS software reviews, they also

The image shows a hand holding a smartphone displaying the LogiTrack mobile application. The app interface features a map with a blue route and a sidebar with icons for 'Sales-force Automation', 'Task sequencing', 'Geofencing', 'Route Optimization', and 'GPS Tracking'. Above the map, the text reads 'Location Based Services for Fleet Management'. Below the map, there are two award logos: 'Rising Star 2018 Award' and 'Great User Experience 2018 Award', both awarded by FinancesOnline. A banner at the bottom of the app interface states: 'LogiTrack is one of the top 50 Fleet Management Software products'. The LogiTrack logo is visible in the top right corner of the app interface.
