

Ed-Rom, Portuguese Moodle Hosting Provider, Partners with IntelliBoard for Reporting & Analytics to Portuguese Clients

IntelliBoard, Inc. and Ed-Rom, a provider of Moodle hosting and educational services, announce their partnership to provide reporting and analytics in Portugal.

MONROE, CT, UNITED STATES,
September 25, 2018 /

EINPresswire.com/ -- [Ed-Rom](#), the premier provider of Moodle hosting services in Portugal and Moodle Partner announces its partnership with [IntelliBoard](#), Inc., the leading provider of reporting and analytics for the Moodle™ LMS. Educational and training institutions using the Portuguese language now have access to expanded reporting capabilities to inform their educational business decisions.

Ed-Rom clients can now use the expanded reporting and analytics capabilities provided by IntelliBoard for their LMS environments. IntelliBoard tools validate eLearning efforts - backed by data. IntelliBoard provides user-friendly, on-demand, real-time insight to inform educational business decisions - to improve workflow for businesses, educational institutions, and other LMS training implementations.

“

We are so grateful to the folks at Ed-Rom who took the time and care to translate the IntelliBoard platform to Portuguese. IntelliBoard should be easy to use for everyone.”

Tonya Riney, VP of Client Services, IntelliBoard

IntelliBoard's 5.0 release in May, 2018, expanded the user options considerably:

GREATER FLEXIBILITY AND CUSTOMIZATION

IntelliBoard users now have the ability to customize views based upon admin-defined organizational roles within their respective institutions, e.g., "manager," "supervisor," "division chair"; options are limitless.

AI ASSISTED SEARCH

LISA, Learning Intelligence Search Automation, tool allows users to type queries using natural language. LISA returns instant results, and goes further by identifying existing reports that may help to inform the user's search for data.

CONDITIONAL EVENT NOTIFICATIONS

CEND, Conditional Event Notifications Dashboard, creates customized notifications based upon conditional events, such as "learner spent less than [x] time in courses," "learner site inactivity," or "learner grade below class average."

António Vilela, CEO of Ed-Rom stated, "ED-ROM is looking forward to the partnership with IntelliBoard in order to provide its Moodle clients with advanced tools to monitor and report on learning, and overall site performance. As a Moodle Partner in Portugal since 2006, we recognize that IntelliBoard provides an incredible set of solutions to the many reporting needs of our Moodle clients."

Tonya Riney, IntelliBoard's VP of Client Services expressed her excitement regarding the translation of the IntelliBoard platform to Portuguese, "We are so grateful to the folks at Ed-Rom who took the time and care to translate the IntelliBoard platform to Portuguese. IntelliBoard should be easy to use for everyone, and we're making great strides to expand into as many languages as we can."
