

Global filling, capping & sealing equipment market is estimated to exceed \$8 billion by 2025

Growing demand for smaller size packages and adoption of automation machinery to drive the market during 2018-2025

HYDERABAD, TELANGANA, INDIA,
September 15, 2018 /
EINPresswire.com/ -- HYDERABAD,
India, September 14, 2018

Summary:

The Report "Global Filling, Capping & Sealing Equipment Market: By Process

Type (Manual, Semi- Automatic, Automatic); By Function (Filling, Capping, Sealing, Filling & Capping, Capping & Sealing, Filling, Capping & Sealing); By Container Type (Bottle & Jar, Stand Up Pouch & Brick Liquid Carton, Tube, Others); By End Use Industry (Food & Edible Oil, Beverage, Pharmaceutical, Cosmetic & Toiletry, Chemical, Others) and By Geography", published by IndustryARC

Global packaging market is estimated to be around \$700 billion and is estimated to witness momentous growth in coming years owing to the rising demands from chemical, pharmaceutical, lubricants, food, beverages and building & construction industries. Packaging is changing at rapid pace due to growing customers and product manufacturer's requirements. Packaging Machinery market is poised to witness noteworthy growth which attributed to the demand from food, beverage, pharmaceutical and chemicals sector. Rapidly growing & urbanizing global population is set to impact the industry significantly. Filling, capping and sealing are the major processes involved in the packaging of liquid or semi-solid materials. The global filling, capping & sealing equipment market is segmented based on process type, function, container type, end user and geography.

The global filling, capping & sealing equipment market is estimated to be \$5.5 billion in 2017. Increasing demand for smaller size package, automation and robotics in filling equipment and globalization of food production are the key factors driving the market growth. Bottle and Jar segment of filling, capping and sealing equipment held major share in the market in 2017 owing to their higher demand by consumers as they offer superior convenience whereas rising popularity of stand-up pouch & brick liquid carton is driving the market globally making it the

fastest growing segment during the forecast period. Automatic equipment is opted by manufacturers to speed up packaging, increase production and at the same time maintain the safety and hygiene of the product whereas the semi-automatic equipment are attractive to customers because of their entry level price points.

Asia- Pacific held the major share in the market mainly driven by growth of automation processes, speed and flexible production of food products. Countries such as China, Japan and India are estimated to foster the market growth in the APAC region making it the fastest growing region during 2018-2023.

Sample Players in this Market Include

- Tetra Laval Group
- Kronos Group
- GEA Group AG
- HHS GmbH
- Doesia Group

Sample segments included

1. Filling, Capping & Sealing Equipment Market, By Process Type
 - 1.1. Introduction
 - 1.2. Manual
 - 1.3. Semi- Automatic
 - 1.4. Automatic
2. Filling, Capping & Sealing Equipment Market, By Function
 - 2.1. Introduction
 - 2.2. Filling Equipment Market
 - 2.3. Capping Equipment Market
 - 2.4. Sealing Equipment Market
 - 2.5. Filling & Capping Equipment
 - 2.6. Capping & Sealing Equipment
 - 2.7. Filling, Capping & Sealing Equipment
3. Filling, Capping & Sealing Equipment Market, By Container Type
 - 3.1. Introduction
 - 3.2. Bottle & Jar
 - 3.3. Stand Up Pouch & Brick Liquid Carton
 - 3.4. Tube
 - 3.5. Other Containers

Global filling, capping & sealing equipment market is highly fragmented and competitive. Technological advancements and collaboration strategies are adopted many key players to enhance their market share and thus drive the market.

What can you expect from the report?

The Filling, Capping & Sealing Equipment Market Report is Prepared with the Main Agenda to Cover the following 20 points:

1. Market Size by Product Categories
2. Market trends
3. Manufacturer Landscape
4. Distributor Landscape
5. Pricing Analysis

6. Top 10 End user Analysis
7. Product Benchmarking
8. Product Developments
9. Mergers & Acquisition Analysis
10. Patent Analysis
11. Demand Analysis (By Revenue & Volume)
12. Country level Analysis (15+)
13. Competitor Analysis
14. Market Shares Analysis
15. Value Chain Analysis
16. Supply Chain Analysis
17. Strategic Analysis
18. Current & Future Market Landscape Analysis
19. Opportunity Analysis
20. Revenue and Volume Analysis

3. [Anti Counterfeit Packaging Market](#)

Frequently Asked Questions:

Q. Does IndustryARC publish country, or application based reports in Filling, Capping & Sealing Equipment Market?

Response: Yes, we do have separate reports and database as mentioned below:

1. North America Capping Equipment Market (2018-2023)
2. South America Filling Equipment Market (2018-2023)
3. Europe Filling, Capping & Sealing Equipment Market (2018-2023)
4. Asia Pacific Sealing Equipment Market (2018-2023)
5. Middle East and Africa Filling, Capping & Sealing Equipment Market (2018-2023)
6. Filling Equipment Market By Value Chain Analysis(2018-2023)
7. Capping Market Pricing Analysis (2018-2023)
8. Sealing Market By Opportunities Analysis(2018-2023)
9. Filling Market By Product/Market Life Cycle Analysis(2018-2023)

Q. Does IndustryARC provide customized reports and charge additionally for limited customization?

Response: Yes, we can customize the report by extracting data from our database of reports and annual subscription databases. We can provide the following free customization

1. Increase the level of data in application or end user industry.
2. Increase the number of countries in geography or product chapter.
3. Find out market shares for other smaller companies or companies which are of interest to you.
4. Company profiles can be requested based on your interest.
5. Patent analysis, pricing, product analysis, product benchmarking, value and supply chain analysis can be requested for a country or end use segment.

Any other custom requirements can be discussed with our team, drop an e-mail to sales@industryarc.com to discuss more about our consulting services.

About IndustryARC:

IndustryARC is a Research and Consulting Firm that publishes more than 500 reports annually, in various industries such as Agriculture, Automotive, Automation & Instrumentation, Chemicals and Materials, Energy and Power, Electronics, Food & Beverages, Information Technology, Life sciences & Healthcare.

IndustryARC primarily focuses on Cutting Edge Technologies and Newer Applications in a Market. Our Custom Research Services are designed to provide insights on the constant flux in the global supply-demand gap of markets. Our strong team of analysts enables us to meet the client research needs at a rapid speed, with a variety of options for your business. We look forward to support the client to be able to better address their customer needs, stay ahead in the market, become the top competitor and get real-time recommendations on business strategies and deals. Contact us to find out how we can help you today.
