So why did Anguilla win the #1 spot?

Anguilla is an incredibly beautiful island that boasts some

of the world’s best beaches, the best cuisine in the Caribbean as well as being home some of the best vacation rentals in the world.

The beaches here are second to none with their bright white sand and truly spectacular turquoise sea. Anguilla features an array of sea life due to its coral reefs, offering some of the best diving and snorkeling in our planet. The small inlets and cays are also a wonderful place to explore or enjoy water sports or even take a luxury catamaran day sail around the entire island. Stretching just 16 miles long by 3 miles wide, Anguilla has something to suit everyone. It offers low key elegance and barefoot luxury while still being one of the most exclusive islands to visit in the Caribbean.

Anguilla is also frequented by the rich and famous similarly to its rival neighbouring island of St Barts but what makes Anguilla so unique is that the rich and famous come to this island to enjoy peace, quiet and above all ultimate privacy.
