HE Mahmood Al Hashmi, C.E.O of Ajman Media City Free Zone

Ajman Media City Free Zone UAE

USA 17 September 2018: Ajman Media City Free Zone launches an electronic licensing service to serve and facilitate a global network of partners, representatives and potential investors based in any part of the world. HE Mahmood Al Hashmi, C.E.O of Ajman Media City Free Zone said: "We are committed to offer "Low investment, High returns and Maximum Comfort" to our potential customers, and partners globally and this feature enhances the ease of doing business as well as eliminates costs and save significant time for everyone."

"Our latest feature, an electronic system will enable the investors to fulfill all requirements for setting up the business and acquire license in a safe, fast and secure environment."

"At the same time, we fully understand the importance of creating comfort and trust among our investors. Utilising the latest a triple cryptography system, our electronic system successfully meets and adhere to the most stringent requirements on data security and confidentiality. The Ajman Media City Free Zone also launched a new 'electronic agents network', which allows international representative, business agents and partners all across the globe to be connected with the free zone and offer potential investors the complete set of services electronically.

HE Mahmood Al Hashmi, C.E.O of Ajman Media City Free Zone further said: "Ajman Media City Free Zone remains committed to bringing innovative services and features for the potential investors. By combining the vision of its leadership with a unified digital innovation strategy, the United Arab Emirate has already become one of the leading centre of innovation and start-up

ecosystem in the world.”

“Our new electronic facilities will also become a significant step in supporting [UAE's position as a leading investment destination](#) for international investors, innovators and organisations who want to serve this part of the region through innovation and entrepreneurship,” said HE Mahmood Al Hashmi.
