COLORADO SPRINGS, CO, UNITED STATES, September 17, 2018 /EINPresswire.com/ -- Royce Gomez, a renowned podcast host and author endorsed by Kevin Harrington and other celebrities for her business acumen shared in her book, "27 Secrets of Marketing: Your Ticket to Maximum Revenue," is featuring nearly a dozen artists on her podcast, "Thrive: A Woman's Journey to Victory."

"Thrive: A Woman's Journey to Victory" has strayed from featuring only females sharing their success journey to feature international singer-songwriters promoted by MTS Management Group.

The birth of "Thrive" stemmed from Royce consulting with and interviewing successful startup founders; she felt these stories deserved to be heard to inspire others. Today "Thrive" has a large audience and is heard around the U.S. 20% of the listeners hail from other English speaking countries where Royce has consulted and spoken to professional audiences.
