EINPresswire.com/ -- New York, NY
September 20, 2018 -- Santhigram
Wellness Kerala Ayurveda is delighted
to announce its plan to open a premier
Ayurvedic Wellness Center at 30 E 40th
St., between Madison and Park
Avenue, New York, NY 10016 in
accordance with its mission to
advocate and propagate the holistic
science of Ayurveda, a five thousand
year old system of healthcare and
wellness and make it part of the
mainstream health and wellness
option in the USA and the World.

The opening of the mid-town
Manhattan Center, in the heart of the
Financial Capital, is soon to be followed
by our first Center on the West Coast in
Fremont, California by November 2018.
With the on-boarding of the two new
Centers Santhigram will be on course
with its expansion plans for this year
and will have further enhanced its
position as the Premier and National
Ayurveda Company in the USA to offer
its specialized services and therapies to
a good section of the population with
holistic, non-invasive, and drug free
therapies.

Santhigram Kerala Ayurveda, is a
pioneer in the Kerala specific Ayurvedic
and Panchakarma Therapies to
alleviate various ailments. Santhigram also provides specialized proprietary treatments for the
management for chronic health problems related to Stress-depression, Musculo-skeletal
disorders, Life Style Disorders, and Rehabilitative care for Geriatric age group.

Santhigram's Chief Consultant, Dr.Ambika Nair, who is world renowned for her expertise in Ayurveda and co-hosts the health and wellness television program on TV Asia called "AYURVEDAMANTRA ", will also be available for Consultation at Manhattan Center on appointment basis.

Dr. Gopinathan Nair, Founder, President & CEO of the company was very optimistic and excited on the company's upcoming launch of the Ayurveda Wellness Center in the heart of New York City, where the demand for Yoga and Ayurvedic therapies are very high among the targeted demographic profile the company plans to promote its services. "The specialized Ayurveda wellness regimes of Santhigram could offer much to counter the stress related health problems of a high paced executive life style of people of New York City along with complications borne from office fatigue syndrome ", he noted.

In addition to the two new centers in Manhattan, New York and Fremont, California Santhigram in its second decade has ambitious plans to open another 100 Centers in all the major metropolitan hubs of the nation, along with Ayurvedic wellness villages in partnership with the Native American Indian Communities.

We wish to take this opportunity to welcome and express our gratitude to all our patrons on this wonderful of occasions and look forward to your continued support and patronage and request you to await regular updates as we make progress.
