

# EnV Chicago Installs SemaConnect Smart EV Charging Stations

*EV charging stations improve energy efficiency and are a valuable amenity for luxury apartments*

CHICAGO, USA, September 18, 2018 /EINPresswire.com/ -- [EnV Chicago](#), a luxury high-rise located in the River North neighborhood of Chicago, has installed a new green amenity, [SemaConnect](#) smart electric vehicle (EV) [charging stations](#). Residents can charge their EVs at a cost of \$0.12/kWh. Guests are able to charge their EVs for the same rate plus an hourly garage fee.

EnV Chicago is known for providing its residents with the best amenities. In addition to electric vehicle charging, EnV Chicago offers residents 24-hour concierge, LEED-certified building, private parking, easy access to public transportation, and a corporate advantage program with select employers. The new SemaConnect stations are installed in the EnV parking garage and add to the building's LEED certification status.

“

As a leader in green cities, Chicago is the perfect place to install electric vehicle charging stations. We're honored that EnV Chicago chose SemaConnect as their sustainability partner.”

*Don MacNeil, Director of Sales at SemaConnect*

Don MacNeil, director of Sales at SemaConnect, says, “As a leader in green cities, Chicago is the perfect place to install electric vehicle charging stations. With our smart management tools, open network, and easy-to-use sustainability reports, we're honored that EnV Chicago chose SemaConnect as their sustainability partner.”

With the SemaConnect smart EV stations, management can tap into real-time data, usage, energy, and sustainability reports. They can create access policies using prepackaged member groups and implement pricing policies using prepackaged plans.

SemaConnect electric vehicle charging stations

The two new charging stations are open, and their location can be found on PlugShare and the SemaConnect app for iOS and Android.

About SemaConnect:

SemaConnect is the leading provider of electric vehicle amenities to the North American commercial and residential property markets. A complete EV support partner, SemaConnect delivers a truly modern property experience through innovative, elegantly designed charging stations and a robust and open network. The company has helped maximize property value and appeal through thousands of successful Class A deployments since its founding in 2008, for

companies such as CBRE, JLL, Hines, Greystar, Cisco Systems and Standard Parking. SemaConnect remains the preferred charging solutions partner of municipal, parking, multifamily, hotel, office and retail customers across the United States and Canada.
