New England's premier pro audio show - Parsons Audio Expo 2018 - to feature Alan Parsons as Keynote Speaker at the 22nd annual, completely free event in Boston.

BOSTON, MA, USA, September 18, 2018 /EINPresswire.com/ -- [Parsons Audio](#) is announcing their upcoming annual [Parsons Audio Expo](#), held November 7, 2018 at the Hilton Boston/Dedham. Now in its 22nd year, this one-day, completely free event is New England's premier pro audio show, featuring the greatest names and greatest tech in the recording and pro audio industry.

Alan Parsons | Parsons Audio Expo 2018

In past years, the Parsons Audio Expo has been proud to feature presenters such as audio legends Tony Maserati, Bob McCarthy, Bob Clearmountain, Frank Filipetti, Kevin Killen, and Bob Ludwig. We are excited to announce that this year the Expo will feature none other than the legendary Alan Parsons!

Celebrated producer, engineer, songwriter, and musician Alan Parsons will be featured as the keynote speaker at Parsons Audio Expo 2018.

Alan Parsons is a prolific recording engineer and producer, boasting an impressive 11 Grammy nominations as well as winning multiple other awards such as The Les Paul Award. Alan began his career at Abbey Road studios, working with The Beatles on Abbey Road and Let It Be. His broad range of subsequent work includes engineering Pink Floyd's *The Dark Side of the Moon*, producing a string of hits with Pilot, Al Stewart, The Hollies and Ambrosia, and recording multiple platinum albums under his own name as the Alan Parsons Project, many of which were nominated for Grammys in the Best Engineered Album category between 1973 and 2007. Alan is also an educator, co-writing the award-winning *Art & Science Of Sound Recording* video series and book. Alan's recording workshops are exclusive events that invariably sell out. This is a rare chance to meet a living legend.

For decades, Parsons Audio has been a mainstay of the New England pro audio scene and this year Parsons Expo 2018 is guaranteed to bring their involvement in the community to a whole new level.
