anteroom, balcony, bathroom and toilet.

## Wellness

Wellness - It is designed as a two-storey building (ground floor and 1st floor), located in the central part of recreation area Domica. The building serves as a civic building (an object of relaxation - entertaining water activities, such as inhalations, whirling massages, thermal - water light attractions, etc.). It creates a fairy - tale world for children.

## Surroundings

Wellness Resort Domica is located about 1 km from the village Kečovo and Dlhá Ves, district Rožňava, opposite the DOMICA cave. Domica Cave is the largest cave of Slovak Karst. It is a very well known cave in the world. Located on the southern slope of Silická planina , it is part of the cave complex, which creates a genetic system with a total length of about 25 km with the Baradla cave in Hungary. The Domica itself is 5,358 meters long, of which a circle of 1,315 meters is available to the public since 1932.
