

Warcom and Adapt sign partnership agreement to promote TITAN Intranet for Office365 in South Africa.

Partnership to promote modern workplace solution for Office365.

GURGAON, HARYANA, INDIA, September 25, 2018 / EINPresswire.com/ -- [Adapt Software India](#), a developer, and provider of the next generation readymade Intranet called [TITAN](#); today announced it had signed a strategic partnership agreement with [Warcom Business Solutions](#), a Tier1 Microsoft Cloud Service Provider in South Africa.

Warcom has the national presence and vast experience in selling and implementing various Microsoft solutions including Office365. This partnership allows Warcom to introduce and distribute the TITAN to Office365 customers in South Africa. TITAN is a monthly subscription-based software as a service that simplifies the Office365 user experience.

Warcom and Adapt sign partnership agreement to promote TITAN Intranet for Office365 in South Africa.

"Our partnership with Warcom, signifies a growing demand for digital workplace solutions like TITAN for improving collaboration and internal communications among enterprise," commented Ashish Kamotra, CEO of Adapt Software India Pvt. Ltd. "The potential of this agreement with expansion into the South African market is encouraging for us. Warcom has a proven track record as Microsoft CSP especially Office365, and we strongly believe that their efforts to introduce TITAN Intranet to their customers will be truly successful."

"WaRCoM Business Solutions is proud to be associated with Adapt to market TITAN in South Africa. We strongly believe that TITAN will provide a leading edge to Warcom especially by offering a value-added solution to our Office365 and SharePoint customers," commented Warcom CEO, Riaan Roode. "The product itself would be beneficial to our customers, and the team at Titan amazed us with their support and knowledge of their product. TITAN can be deployed within hours, and our customers can go live within a few days."
