

Zibtek Opens New Office in Bengaluru, India, Planning to Expand Operations

Zibtek launches its new office in Bengaluru. They are planning to hire the best talent to assist them in various streams of operation.

BANGALORE, KARNATAKA, INDIA, September 19, 2018 /EINPresswire.com/ -- Zibtek opened a new office in Bengaluru, India, on April 4, 2018. Their operations in India first started in Pune in 2009. Zibtek has its presence in India for almost nine years now. With the help of Raja Ganabathi, one of the partners of Zibtek, they worked hard to establish the office here in Bengaluru.

Bengaluru is larger than Pune when it comes to the total population and the sophistication of the IT industry. While Pune has almost 2.4 million people, Bengaluru has nearly 13 million people living in the city today. It is a city rich in resources, especially when it comes to finding high-quality labor. No other city in India comes close when it comes to talent in the tech industry.

The management of Zibtek has hired people to support various operations including sales, marketing, and human resources. They have plans to expand their business, and this new location will help them move toward achieving that goal.

The ultimate goal of Zibtek in opening the branch in Bengaluru is to start Business Process Outsourcing ([BPO](#)) services. With focused marketing and development on BPO services, they will soon have full-fledged operations.

About Zibtek: Zibtek is one of the world's leading software, [web](#), and [mobile development](#) companies. They also provide various other services such as digital marketing, design, and BPO. They have a growing base of satisfied customers because they work efficiently to deliver the best product or service in a highly competitive global, digital economy.
