

At The UN They All Talk +2 While Back Home They All Indulge In -2 Behavior.

If I show the path to a +2 World Order will our world leaders review my proposal? At individual and country levels Sweden is already +2 and so can all countries

NEW YORK CITY, NY, USA, September 20, 2018 /EINPresswire.com/ -- The laws for wise behavior are the same for groups and countries as they are for individuals. Human nature for groups

and countries depends on the same fundamental factor of self-identity. The basic reason why we have so many wars, bloated defense budgets, and rivalry amongst nations instead of cooperation and peace is that the group image of every nation is macho (-2). As machoness is ignorance almost all nations install an ignorant country self-image in their citizens.

“

Country after country keeps creating a -2 group-country self-image and wonders why it is not producing + 2 results. Can -2 ever equal +2?”

Sajid Khan

insanely self-centered self-image. (-2)

2) I am not as important as I deserve to be yet but I will be by hook or by crook. A corrupt self-image. (-1)

3) We are all equal but I am the best. An egoistic self-image. (+1)

4) We are all one family. Everyone deserves the best. A humble and selfless self-image. (+2)

While individuals continue to be raised variously at one of the above four levels when it comes to groups and countries every one of them is nurtured into an insanely self-centered group-image! It boils down to cultivating a -2 group-country image. So with this -2 group image wired into their brains, national leaders come to meet at the UN and they all pretend to be +2 and show how they are all behaving +2 while their rivals are the ones behaving -2.

Cultivating a -2 group image has a negative effect on all life. As a consequence defense budgets are bursting at the seams taking away scarce resources from health, education, infrastructure etc.

Not only is there a chance for a Wise World Order there is a chance to create immense wealth, happiness, prosperity and peace through a new Wisdom Industry.

Mission Statement
Wisdom power is your (+2) guru/emotionally-healthy self-image power.

Emotional intelligence comes from emotional health.

Wisdom 3.0

A very simple paradigm shift is all that is required to change the current chaotic world mess into an authentic wisdom powered world of harmonious order. The current world mess clearly stems from a nonlinear definition of wisdom. All that is required is to change the current fuzzy definition of wisdom to a predictable phenomenon. Let's just change the definition of wisdom from being a philosophy to being a science. Wisdom and emotional intelligence are one and the same. They both stem from emotional health. The simple trick is to define wisdom as emotional health. Emotional health is as scientific a phenomena as they come. Focusing on emotional health will generate wisdom effortlessly.

A plan to create emotional health will replace the ills of society with a massive positive change that will mean not just successful sustainability but a super #full-means-ability. Combined with the effects of a wise society the creation of a Wisdom Industry will create massive jobs in all corners of the world which will result in huge economic gains. Just imagine a free Wisdom Land franchise with branches all over the world. Just imagine a whole new profession of Brain Healers, WisdomSeminar Leaders, Wise Parenting Coaches, Jail Instructors, Leadership Coaches, Happiness Coaches etc.

Every country, region, corner of the world can all be equal partners in such entities as Wisdom Day, Wisdom Land, Wisdom Hall of Fame, Brainpower Club, Shypower Club, Happiness Clinics, Divorce Clinics etc. I also have a 'green flours' idea (expired patent). Vacuum Power Generators. (Vacuum power is the fulcrum of wind power).

Some of my projects include toys that teach wisdom, a script for a movie, 'The Story of Wisdom', a sitcom on wisdom, a talk show on wisdom, The Wisdom Express, The Star of Wisdom Award, seminars on wisdom, happiness, love, deep brain relaxation etc.

Imagine what emotionally healthy brains on a massive scale will do to the world.

We Must Find the Path to a Wise Society by Any and Every Means Possible. The world is in chaos because we continue to produce emotionally challenged brains in the majority of mankind, not

Stop letting your emotional baggage rule your life.

Wisdom education is brain cleaning education.

just at the individual level and even at the group and country levels.

There are extremely simple, crystal clear and effective tricks to creating a wise [society](#).

Define wisdom not by its qualities and attributes but by whatever generates wisdom. Thus define wisdom as emotional health.

Identify emotional health as humility because it is humility that transforms every attribute of wisdom into wisdom!

As wisdom is the smoke where emotional health is the fire focus on lighting the fire instead of trying to create smoke on its own. To create emotional health create emotionally healthy brains by ensuring emotional baggage free brains. Thus define wisdom education as wise-parenting for the young and brain-therapy for all others.

'Wisdom education is not about teaching the attributes of wisdom to the mind. Wisdom education is about healing the egoist self-image into a selfless self-image. It is about replacing selfishness with selflessness/humility.' We create an insanely egoistic country image instead.
