

New Partner Named at Zibtek Pvt.Ltd, Bengaluru, India

Raja Ganabathi, joins as a partner in Zibtek Pvt.Ltd, Bengaluru, India. Zibtek is confident that this new association will help the company to continue to grow.

BANGALORE, KARNATAKA, INDIA, September 20, 2018 /EINPresswire.com/ -- Zibtek is one of the world's leading [software](#), web, and [mobile development](#) companies. Their clients include companies such as Google, Adobe, Princeton Review, Sprint, Node JS, Chegg and many more.

They have a unique outsourcing model that can save almost 60% of costs in software development while maintaining the highest standards of quality. Their model enables clients to work with offshore developers managed by an experienced and professional US team in developing the software.

Zibtek first entered India in 2009. They set up their first office in Pune around the same time. Almost 300 employees continue to work in Pune. In an endeavor to expand their operations, Zibtek welcomes the new partner and the Bengaluru office.

Raja Ganabathi is a graduate who has vast experience in various fields. He is also the director of BNSE design solutions based out the USA. He has also worked as a business development manager in Valcom IT services. These experiences have helped him gain immense knowledge and expertise.

As part of its new development, Zibtek is planning to open Business Process Outsourcing ([BPO](#)) services. With focused marketing and development on BPO services, Zibtek will soon have full-fledged operations.

About Zibtek: Zibtek is one the world's leading software, web, and mobile development companies. They provide various services such as digital marketing, design, and BPO. Because they work efficiently while providing high-quality development, they have a growing customers base. They have the capability to deliver the best product or service in a highly competitive global, digital economy.
