

Endur ID to Exhibit at the National Commission on Correctional Health Care

Endur ID will be exhibiting at the National Commission on Correctional Health Care October 20-24 at the Paris Hotel in Las Vegas.

HAMPTON, NH, UNITED STATES, September 21, 2018 /EINPresswire.com/ -- [Endur ID](#) to Exhibit at the [National Commission on Correctional Health Care](#). Please join us at the 2018 NCCHC Conference from October 20-24th 2018 in Las Vegas, Nevada. Endur ID will be presenting our full line of [inmate identification](#) solutions. This includes our Secur Max Durable wristbands, Secur Loc clasps, IDMX software and Secur Tracker inmate tracking software. Secur Tracker is a scanner-based technology which allows for the tracking of In/Out recordings, attendance, personal possessions management and even evacuation control. Endur ID wristbands are easily produced with a standard laser printer, allowing for bar coding, color pictures and alerts on a water proof, tear resistant band. New to our product line is our IDSS software kit; a cost-effective solution designed for smaller facilities in need of a wristband identification system.

About Endur ID

Endur ID was founded in 2003. We entered into the Patient Identification Market with the goal to manufacture and distribute the finest hospital Identification Wristbands and Media available. In 2012 we entered the Inmate Identification Market. Endur ID offers wristbands that are durable, easy to use, and easy to wear and are produced using standard desktop printers. We have also developed our relationships with our partners so we can also offer the finest software and hardware products as well — delivering the most comprehensive solution on the market.
