

Arecont Vision ConteraIP™ Multi-Sensor Camera Takes Home New Product of the Year Award

Arecont Vision Costar Receives New Honors at GSX 2018 Where New 4-Sensor Panoramic Camera is on Display

LAS VEGAS, NEVADA, USA, September 25, 2018 /EINPresswire.com/ -- [Arecont Vision Costar](#), the industry leader in IP-based megapixel camera technology and video surveillance solutions, announces receipt of a prestigious award for the brand new [ConteraIP™ multi-sensor panoramic dome camera series](#). Arecont Vision Costar's newest multi-sensor camera was recognized as a New Product of the Year in the "Video Surveillance Cameras – IP" category, and the award presented at GSX 2018 in Las Vegas, Nevada by 1105 Media's Security Today Magazine.

Arecont Vision ConteraIP Multi-Sensor Panoramic Dome Camera

“

We're very appreciative of this honor for our brand-new ConteraIP multi-sensor panoramic dome camera, which sets new standards for the entire market to follow once again.”

*Jeff N Whitney, VP Marketing,
Arecont Vision Costar*

The ConteraIP multi-sensor panoramic dome camera was first publicly unveiled on April 11, 2018 at ISC West. Arecont Vision has a long history of innovation, introducing the security market's first multi-sensor megapixel cameras in 2006. The ConteraIP multi-sensor is now the newest member of the Arecont Vision Costar family of industry-leading panoramic and omnidirectional megapixel surveillance cameras. The new camera is in early customer trials and is expected to be available for all customers soon.

The new, award-winning four-sensor camera is a highly advanced indoor/outdoor 180 degree panoramic dome,

suitable for day/night use. Other features and capabilities include:

- Choice of 8 or 20MP configurations
- Integrated IR LED illuminators and NightView™ low light color imaging technology for low light enhancement
- Enhanced WDR up to 120dB for use in challenging lighting conditions
- Multi-streaming at high frame rates
- H.265, SNAPstream+™ bandwidth reduction, and M-JPEG
- Industry-standard security and network protocol support
- Defog technology
- On Screen Display
- IP66 environmental and IK10 impact rated

-All-in-One PoE+, requiring single IP address, single IP cable, and single VMS license per camera (most VMS/NVR systems)

ONVIF Profile S and G compliance plus advanced integration through the Arecont Vision API tool and MegaLab™ validation ensures integration not only with the cloud-enabled [ConteraVMS™](#), but also with other leading video management and NVR systems. All Arecont Vision Costar cameras feature a three year warranty.

The ConteraIP™ multi-sensor panoramic camera is on display this week at both GSX 2018 Las Vegas, in Conference Room 10 across the Skywalk at the Westgate Las Vegas, September 25 – 26, and at Security Essen, Hall 5, booth 5F30 (ALLNET Deutschland GmbH), September 25 - 28.

To preschedule a meeting at either GSX Las Vegas or Security Essen, or at a future time and location of your choice, please call +1.818.937.0700 (select option 3), fill in the form at <https://www.arecontvision.com/contactform.php>, or email us at avsales@arecontvision.com.
