DESCRIPTION

nFusz, Inc. is a Hollywood-based digital tech company. Our proprietary next generation interactive video technology is the core of our new broadcast and cloud-based, Software-as-a-Service (SaaS) products. We offer subscription-based Customer Relationship Management (CRM), sales lead generation, and social engagement software on mobile and desktop platforms for sales-based organizations, consumer brands, and artists seeking greater levels of engagement and higher conversion rates. Our software platform can accommodate any size campaign or sales organization, and its enterprise-class scalability meets the needs of today's global organizations. Our service is built around our proprietary notifi interactive video technology, which places interactive video front and center in all customer and prospect communications. With our flagship product, notifiCRM, we've re-invented what a CRM, lead-gen tool should be in today's video-centric business and social environment.
