BOCA RATON, FLORIDA, UNITED STATES, September 24, 2018

/EINPresswire.com/ -- A genuinely

upscale beauty brand offering a wide

range of cosmetic products, skin treatment solutions, and spa services, perhaps Infinite Beauty's two best-known locations are based in New York. The brand currently enjoys positions within both Westchester Mall and Roosevelt Field Mall, located in White Plains and Garden City respectively.

"Westchester Mall is home to some of today's most iconic and fashionable retailers," explains Eric Inbar, Infinite Beauty's vice president of operations. Alongside Infinite Beauty, brands at the famous mall include Tiffany and Burberry, as well as stores belonging to [technology](#) behemoths such as Apple and Microsoft.

Meanwhile, Infinite Beauty's Roosevelt Field Mall spa shares its location with over 250 stores, many of which are world renowned, including Bloomingdale's, Macy's, and Nordstrom.

"Roosevelt Field Mall is, in fact, not only one of the largest shopping destinations in the state of New York but one of the largest in the entire country," Inbar adds.

Both Westchester Mall and Roosevelt Field Mall locations offer the [highly-exclusive](#) HydraFacial MD® Highlights treatment, which boasts a combination of invigorating spa therapies and advanced medical technology, according to the brand. Inbar points out that a third Infinite Beauty spa location also now boasts the HydraFacial MD® Highlights device. "By popular demand, we've [recently installed the technology](#) within our Maryland spa for clients to enjoy," he adds.

A third New York Infinite Beauty location can be found within New York City at 1031 3rd Avenue, on the East Side of the borough of Manhattan.

Currently, the brand has one Florida location in Boca Raton. Boca Raton is famed for its beaches, parks, and golf courses. This location offers Infinite Beauty's extensive range of advanced beauty therapies, facials, and anti-aging treatments.

Infinite Beauty's West Coast spas are situated in Santa Clara and Roseville, California. The brand's Santa Clara location can be found at Westfield Valley Fair Mall, while their second Californian spa is positioned within Westfield's highly popular Galleria, at Roseville Mall, one of the state's largest shopping malls.

The company's seventh spa location, in Maryland, and now boasting treatment with HydraFacial MD® Highlights, can be found within Westfield Montgomery Mall, Bethesda. "Bethesda," says Inbar, "is an attractive suburb of Washington, DC and a perfect location for Infinite Beauty."

Treatments on offer at all seven locations currently include the brand's best selling signature facial, exclusive gold facial, and red carpet treatment. High-tech treatments on offer include high-frequency, microcurrent, ultrasonic, LED, and galvanic therapies among others, plus many slightly more traditional options. These include vitamin C infusion, bio-brightening, microdermabrasion detox, and collagen treatment procedures, to name just four.
