

HireGenics President, Brian Soderholm, to Speak at the CWS Summit 2018

DULUTH, GA, UNITED STATES, September 25, 2018 /EINPresswire.com/ -- HireGenics, part of ACS Group, that provides global workforce management solutions to mid-market and Fortune 1000 companies will be exhibiting at and sponsors of the Staffing Industry Analysts' CWS Summit from October 2-5, 2018.

“

CWS is a great environment to share and compare strategies and understand how other organizations are leveraging and successfully implementing forward-thinking ideas.”

Brian Soderholm, President of HireGenics

The Summit will be held at the Omni Dallas Hotel in Dallas, Texas, and ACS Group and HireGenics industry experts will be located at Booth #101.

HireGenics President, Brian Soderholm, will be speaking at the CWS Summit Roundtable on Oct. 2, 2018, at 9:15 a.m. in the Trinity conference room. Brian's topic this year is, “Total Talent Management Solutions – Now & Future”.

“Our view at HireGenics is that over the past 10 years there has been minimal innovation in the Contingent Workforce Management space, however, the industry is now reaching

a breaking point where it is demanding more innovative and customized solutions,” said Brian Soderholm, President of HireGenics. “CWS is a great environment to share and compare strategies and understand how other organizations are leveraging and successfully implementing forward-thinking ideas.”

As President of HireGenics, a distinguished line of business within ACS Group, Brian is focused on delivering Multi-Sourcing Strategies, Direct Sourcing, Independent Contractor Classification and Payrolling solutions to enterprise organizations.

He holds more than 29 years of business development experience at leading workforce management and staffing companies. Brian earned his Bachelor of Arts degrees in Business Administration and Computer Science from the University of Wisconsin, and as a recognized solution sales leader in the staffing industry, he brings a unique understanding to the sales process that is dictated by selling solutions that focus on the success of each client.

Brian and other HireGenics industry leaders look forward to facilitating dialogue on strategies like Direct Sourcing, Multi-Sourcing approaches through MSP 2.0, and developing Centers of Excellence to bridge gaps between Procurement and IT at this year's CWS Summit.

The annual CWS Summit is the industry's largest peer-to-peer networking conference for continent workforce professionals. This year's event features case-studies, real-world solutions for the emerging challenges in managing today's workforce solutions program, and powerful new ways of sourcing, engaging and retaining top talent.

Attendees will have the opportunity to problem solve alongside other industry leaders in the contingent workforce management solutions and maximize their value within their own programs.

About HireGenics

HireGenics, a part of the ACS Group, is a global provider of workforce management solutions to mid-market and Fortune 1000 companies. Headquartered in Atlanta, Georgia, HireGenics provides workforce risk mitigation and talent optimization solutions and currently manages approximately 12,000 consultants working in a variety of job skills and labor categories. In addition to Employer of Record Services, Agent of Record Services, and Curated Talent Clouds, HireGenics also provides automated payroll services to ensure compliance, MSP services to optimize the contingent labor process, and procurement strategies that effectively manage deliverable-based projects or services spend. We also specialize in independent contractor and small supplier (or non-preferred vendor) compliance, management, and strategy services. For more information, Visit: www.hiregenics.acsicorp.com.
