

SPHERE Technology Solutions Expands Sales Team with John Klinck, Vice President of Sales

HOBOKEN, NJ, USA, September 26, 2018 /EINPresswire.com/ -- SPHERE Technology Solutions, a global woman-owned cybersecurity business focused on improving security and enhancing compliance, is excited to announce and welcome John Klinck, VP of Sales at SPHERE. John brings years of sales experience coming from IBM. During his time at IBM John completed complex software deals selling to multiple lines of business, penetrated multiple accounts selling over \$15M along with motivating cross functional teams to accomplish team objectives.

At SPHERE, John is responsible for executing the company's worldwide sales strategy across sales, sales engineering, and channels to drive revenue growth across all geographies. He is a highly respected and motivated senior sales executive bringing over 20 years of proven history with success in domestic and international high-tech sales.

"I'm excited and honored to be a part of SPHERE's integrated and skilled team. My leadership and technical background will direct SPHERE's already motivated sales team to develop new business opportunities and create customized solutions to meet customer needs." John Klinck, VP of Sales.
