

Full Agenda Released for Pre-Filled Syringes & Injectable Drug Devices Europe

The Future of Drug Delivery & Combination products

LONDON, UNITED KINGDOM, September 26, 2018 / EINPresswire.com/ -- SMi is proud to present their 11th leading annual european conference and exhibition, within the [Pre-Filled Syringes](#) series: [Pre-Filled Syringes & Injectable Drug Devices](#) Europe. The event will take place on the 16th-17th of January 2019, in London.

This year's programme will offer a deep insight into key areas within the field, such as: new technologies and overcoming their hurdles to implementation; connectivity for devices; updates on [drug development](#) and its impact on device development and new regulatory guidelines.

Join us in January 2019 to network, benchmark and learn about developments at the forefront of the Pre-Filled Syringes and Injectable Drug Devices industry. Register for your early bird discount here and save £400 before 28th September.

Here's a snap shot of our industry leading experts presenting next January:

- James Mellman, Device Manager, Novartis
- Anil Busimi, Strategy and Innovation Global Product Manager, SCHOTT
- Cedric Gysel, Staff Device Engineer, Janssen
- Davide Mercadante, Sr Associate Quality Drug Devices, Biogen
- Elise Legendre, Head of Late stage PFS Development, Sanofi
- Jan Malmstrom, Principal Scientist, Novo Nordisk
- Justin Wright, Global Head of Innovation, Novartis
- Maggie Reiff, Associate Device Engineer, Pfizer
- Mathieu Rigollet, Senior PFS Engineer, Roche
