

# Dedicated Developers Ranked #3 Drupal Development Company in Atlanta!

*Dedicated Developers is one of the top drupal developers in Atlanta, according to new rankings issued by Clutch.co, a company noted for its ratings and reviews.*

ALPHARETTA, GEORGIA, UNITED STATES, September 26, 2018 /EINPresswire.com/ -- Alpharetta, GA, September 26, 2018 (Newsire.com) – IT, marketing and business services rating site, Clutch.co, has named Dedicated Developers the number 3 drupal development company in the Atlanta metropolitan area.

Using proprietary technology called the “Leaders Matrix,” which analyzes client feedback and industry data, Clutch.co determined that Dedicated Developers is currently among the three best Drupal developers in Atlanta.

“Atlanta is a large market full of talented Drupal developers so to be named to the top 3 is a very gratifying,” said Vishal Bhatia, co-founder of Dedicated Developers. “This high ranking shows prospective clients what they can expect when they hire us. Our developers are highly qualified and strive to fulfill client needs across the digital landscape by offering expert knowledge and skills through an array of services.”

Clutch.co’s unbiased reviews and rankings, business comparisons, and industry trend reports have made it the go-to place for business decision makers looking to find highly qualified and highly reliable [web and mobile development company](#).

Dedicated Developers offers Drupal development, website development and a number of other services

The screenshot shows the Clutch.co website interface. At the top, it says "Clutch Firms that deliver" and "More in Drupal Developers". The main heading is "Top Drupal Development Companies in Atlanta" with a sub-heading "Leaders Matrix". Below this is a grid with four quadrants: "Proven", "Market leaders", "Emerging", and "Niche". A red box highlights "Dedicated Developers" in the "Market leaders" quadrant. To the right, a "Clutch Leaders Matrix" sidebar lists the top 5 companies: 1. 352 Inc., 2. The Creative Momentum, 3. Dedicated Developers (highlighted with a blue box), 4. Innoppl, and 5. Design-First.
