

Smile Songs Releases Holiday Joy Collection of Cards, Prints, Posters That Sing

Original acoustic holiday song plays from a special QR code on each piece of art. Many products are personalized, feature classic and trend colors.

LONGMONT, CO, US, September 27, 2018 /EINPresswire.com/ -- Designer and songwriter Sharon Glassman from [Smile Songs](http://SmileSongs.com) is releasing the brand new Holiday Joy collection, and each product will be made by the designer herself. The Holiday Joy collection will be released on October 9, 2018.

Smile Songs is known for helping caring women celebrate those special people with unique gifts of love that look and sound great.

Now, for the first time, Sharon Glassman has created an entire product line of her favorite and most popular holiday-themed cards, prints and posters that sing.

The collection will be exclusively sold on the smilesongs.com website, where the limited products are scheduled to sell out by the end of the season.

Prints, posters and cards showcase the happy feeling of giving a memorable gift to dear friends, colleagues and family. They're designed to help women who value genuine emotional experiences "be their best elf," Glassman says, using a holiday pun that's become part of Smile Songs seasonal marketing campaign.

“

The Holiday Joy collection of art that sings is designed to help caring women celebrate those special people with a unique gift of love that's charming for the ears, eyes and heart.”

Several products come in Ultraviolet and Forest Green to capitalize on today's trends.

Some printable art products in the collection are instant downloads, which means busy holiday shoppers can give a thoughtful gift quickly, even at the last minute. Not sure what to buy? Gift certificates are available, too.

Sharon's collection also includes instantly downloadable printable stickers that sing so caring women can bring delightful touches of holiday happiness to their classroom, office and home.

Each individual Holiday Joy artwork has its own name. A few examples are:

- Custom Holiday Song
- Limited Edition singing holiday card
- Wishing You Joy personalized singing print/poster
- Happy Reindeer singing print/poster
- Joyful World singing print/poster

The Holiday Joy collection ranges in price from \$24.95 for a reusable sheet of singing stickers to \$549.95 for a custom holiday song delivered on printable art and mp3. Many gifts are under \$35.

Each piece of art in the collection plays the original song "And Joy," which celebrates cozy scenes and warm feelings of the holiday season. A custom QR code on the art plays the song when scanned with a cell phone camera.

Sharon Glassman is excited to welcome her fans to her the new handmade holiday collection of art that sings they've been requesting.
