

SemaConnect to Exhibit at the 2018 IFMA World Workplace Expo in Charlotte, NC

Electric Vehicle Charging Experts to Share Insights with Facilities Managers at Annual Conference

BOWIE, MD., UNITED STATES, September 27, 2018 /EINPresswire.com/ -- [SemaConnect](#), the leading provider of electric vehicle (EV) charging stations to the North American commercial and residential property market, announces its participation at the 2018 International Facility Managers Association's (IFMA) [World Workplace Expo](#) being held on Oct. 3-4, 2018, at the Charlotte Convention Center in Charlotte, North Carolina.

World Workplace Expo attendees include facilities managers from government, corporate headquarters, retailers, financial institutions and universities. SemaConnect will display its smart EV charging stations at Booth 619 in Hall A of the convention center for both days of the expo. Conference attendees can see the [Series 6](#) charging station in person and ask the on-site SemaConnect EV charging experts about technical specifications, recent government incentives and more.

"We mark this on our calendar every year," said Don McNeil, director of sales at SemaConnect. "We look forward to sharing our cutting-edge technology and insights on the EV industry with those who manage the largest facilities in the U.S."

With more than 50 plug-in cars available in the United States market and counting, more and more facilities managers across the country are installing EV charging stations at their properties. Educational events such as SemaConnect's exhibition at the 2018 IFMA World Workplace Expo and its monthly USGBC-endorsed webinars help facilities managers make sense of the many EV charging options on the market.

“

We look forward to sharing our cutting-edge technology and insights on the EV industry with those who manage the largest facilities in the U.S.”

Don MacNeil, Director of Sales at SemaConnect

About SemaConnect:

SemaConnect is the leading provider of electric vehicle amenities to the North American commercial and residential property markets. A complete EV support partner, SemaConnect delivers a truly modern property experience through innovative, elegantly designed

charging stations and a robust and open network. The company has helped maximize property value and appeal through thousands of successful Class A deployments since its founding in 2008, for companies such as CBRE, JLL, Hines, Greystar, Cisco Systems and Standard Parking. SemaConnect remains the preferred charging solutions partner of municipal, parking,

multifamily, hotel, office and retail customers across the United States and Canada. For more information, visit <https://www.semaconnect.com/>.
