

# EXCEPTIONAL VILLAS ADDS SOME OF THE WORLD'S MOST ICONIC VACATION RENTALS TO ITS INVENTORY

*Villa Rental Company announces further expansion*

NEW YORK, UNITED STATES, September 27, 2018 /EINPresswire.com/ -- Leading Global vacation rental company [Exceptional Villas](#) announced today that it has added more than 800 luxury properties to their inventory. These properties include some of the world's most iconic rental homes and mansions around the world. The European based vacation rental company are fast becoming the go-to place for celebrities and high net worth individuals who are looking for an extra special A-list property. These clients are not just booking a vacation, but they are booking the experience of a lifetime with a full and complimentary concierge service.

One of the key differentiators between Exceptional Villas and some of the online giants is that their homes are personally inspected and must pass a rigorous set of criteria to be accepted in their program. The other is that potential clients only speak to the villa specialist who has personally seen the villa and not a call center. The villa experts match the villa to the client. "The company's core beliefs are about exceeding customer service expectations and about putting the truth back into travel" says Alexandra Baradi, Owner and Ceo of Exceptional Villas.

More and more people are choosing to rent out a mansion or a villa instead of a hotel especially when it comes to a special event or a multi-generational get-together. The

prices in many cases compare really favorably to luxury 5-star hotels. There is also the added benefit that clients get much more space and privacy in a much more relaxed environment of their own home. The vacation rentals the company offers range in price from US\$800 per night for a beautiful 3-bedroom condo on the beach in Barbados to US\$100,000 a night for a private island.

A sample of these beautiful properties and mansions are Chalet Les Anges in Zermatt located at the foot of the Matterhorn. Chalet Les Anges has been voted the world's best ski chalet for two years in a row, and lucky guests get to experience the best food and service on the planet. This is the type of place where the magic happens. You just think about a glass of champagne and

the next minute it is in your hand.

[Hawksbill Villa](#) in Turks and Caicos is an exquisite 8-bedroom ultra-luxurious estate located on Grace Bay Beach which is widely considered to be the best beach in the world. The property is simply gorgeous, and so is the location.

Fregate Island in Seychelles is another ultra-luxury property added to the Exceptional Villas growing portfolio. In the case of Fregate, you can rent it in its entirety or just take one of the beautiful villas that are dotted around the paradise island.

Last but not least is [Seaclusion](#), a brand-new property located directly on the beautiful and very exclusive west coast of Barbados. The villa has 6 bedrooms, a gorgeous swimming pool and some of the best views in the world.
