Originally released as *Spin The Bottle* in 2004, the resulting album has received a complete makeover this year and will be reissued October 19 with all new artwork. Now titled, *Pure Fire - The Ultimate KISS Tribute*, the album features unique combinations of A-list performers including former KISS member Bruce Kulick plus some of the bands biggest friends and fans including Tommy Shaw (Styx), Lemmy Kilmister (Motörhead), Dee Snider (Twisted Sister), Steve Lukather (Toto), Chris Jericho (Fozzy), Buzz Osbourne (The Melvins), Dug Pinnick (King's X), C.C. DeVille (Poison) and so many more!

This special multi-media edition also comes with a bonus making-of DVD that features interviews and stories from the artists, including those who are no longer with us, recorded 14 years ago - it's like a beautifully preserved time capsule showing what these artists looked like, sang like and played like, and what they thought about KISS back then. Hear producer Bob Kulick, Tommy Shaw, Tony Franklin, Aynsley Dunbar, Robin McAuley, Robben Ford, Lemmy, Greg Bissonette, Doug Aldrich, Kip Winger, Carmine Appice, Mike Porcaro, Fred Coury, and many others share their personal stories and recollections about Paul, Gene, Ace & Peter. "After being friends with KISS, knowing them for years, playing on Paul's solo record, it was my pleasure to play on this tribute CD. And also working with Bob Kulick was great fun. I thought it came out great. It ROCKS!" - Carmine Appice (Vanilla Fudge/ Beck, Bogert, Appice)

"I really liked the new arrangement they had and we screamed through it pretty fast. Wild combinations of players and singers, and in the end a very new twist to some KISS classics." - Steve Lukather (Toto)

"KISS is and forever will be the most exciting band in the land!" - Kip Winger (Winger)

"What fun it is to do anything with Bob. Giving KISS some love. I tried to do Gene proud. We're all parasites, baby!!!" - Dug Pinnick (King's X)

"I was thrilled to play on this record, especially with Mark Slaughter and Ryan Roxie, with whom I have played before. The song 'Cold Gin' was special for me because of one morning back in 1990 when I was awoken by a phone call from Gene Simmons inviting me to come up on stage to play a song with them that night. It was indeed a great moment for me!" - Phil Soussan (Ozzy Osbourne)

"Such an honor to be included then and now, in this list of immensely talented musicians on this KISS tribute. Put your KISS face on and turn it up. Enjoy!!!" - Robin McAuley. (MSG)

"Some seriously great performances by an insane bunch! Being involved on many of the assorted songs, I had the pleasure of enjoying all the different folks and the cool and varied interpretations they all were bringing to the table." - David Glen Eisley (Giuffria/Dirty White Boy)
